National Foreword

Dies for plastics - Support Pillar Bushes of Moulds for Plastics - Specification

This standard was approved for adoption as a Philippine National Standard by the Technical Committee on Tool and Die of the Bureau of Product Standards (BPS/TC42).

Standardization of this product was brought about by the creation of the Tool and Die Standardization Committee which takes part in achieving the Metals Engineering Industries National Action Plan of the Metals Industry Modernization Comprehensive Incentive Package. This action plan is considered to spearhead the country's goal towards becoming an NIC by the year 2000.
