PNS ON RUBBER PRODUCTS AND ADHESIVES

The Department of Trade and Industry's Bureau of Product Standards (DTI-BPS) informs the concerned sectors that the following standards have been adopted as PNS.

The DTI-BPS adopts these standards through the recommendation of the BPS Technical Committees on Rubber and Rubber Products (BPS/TC 16) and Adhesives and Allied Products (BPS/TC 51). The members of these Technical Committees are composed of representatives from the industry and professional associations, manufacturers, academe, research institutions and testing laboratories.
